## **Pitt County Schools Announces Makeup Days**

**GREENVILLE** – Pitt County Schools has announced its plans for making up the school days missed recently due to inclement weather. The district cancelled school February 17-18 and February 23-25.

One of the days will be made up by extending a pair of early release days scheduled for March 19 and April 22 to full school days. Parent conferences originally scheduled for those days have been cancelled. Families needing to meet with their child's teacher should call the teacher to set up an appointment.

A second missed day will be made up on March 6. Originally scheduled to be a teacher workday, March 6 will now be a full school day for students and staff.

Another originally scheduled teacher workday on March 27 is also now a full school day for students and staff to make up for the third missed school day.

The district plans to use banked instructional hours to cover the other two days.
