

The Health Sciences Academy is a program open to high school students who are interested in working in a medical field. Students attend their regular high school, and they are provided extra opportunities and benefits for college and career readiness!

Applications will be available on the Health Sciences Academy website beginning on Nov. 9, 2015. To get to the website, go to www.pitt.k12.nc.us, click on the Health Sciences Academy shortcut link, and go to “Applying to the Academy” to access the application starting on November 9, 2015.

Applications are due by 5:00 pm on January 8, 2016.

Accepted students will be notified during the month of January.

Programs offered include:

- SAT and ACT Preparation Workshops
- Job Shadowing Opportunities
- Specialized Classes
- Summer Programs
- Leadership Training
- College & Career Counseling
- Consideration for Scholarships

Applications must be returned to the Health Sciences Academy office by mail to: 400 Spruce Street, Greenville, NC 27834. You may also put your application in the Health Sciences Academy counselor’s mailbox at your high school: Jan Burnette (DHC, JHR, NPHS) & Cameron Slappey (AGHS, FCHS, ECHS, SCHS)
