Dear Parent/Guardian:

I hope this year has started successfully for all of you. As a parent/guardian of a student in North Pitt High School, I am writing this letter to let you know that North Pitt High School has been designated as a Targeted Support & Improvement – Consistently Underperforming (TSI-CU) school by the North Carolina State Board of Education. As stated in ESSA Section 1111(d)(2), North Carolina had to identify schools for targeted support and improvement. TSI-CU schools in North Carolina are those schools that have a subgroup that is consistently under-performing over an extended period of time. The intent of this opportunity is to improve educational outcomes for all students, close achievement gaps, increase equity, and improve the quality of instruction.

As a TSI-CU school, North Pitt High School is required to develop a comprehensive plan that specifically addresses how the school will improve student achievement. The plan will also include how our district will support us and monitor the progress of our school. The comprehensive plan will address the following areas:

- Classroom Management
- Standards-aligned Instruction
- Professional Learning Communities (PLCs)
- Instructional Leadership
- Recruitment & Retention of Effective Teachers
- Support for Grade-to-Grade Transitions
- Implementation of a Tiered Instructional System
- Data-Driven Decision Making
- Student Support Services
- Family and Community Engagement

We have set the following goals for North Pitt High School this year:

- *North Pitt High School will test 95% of our Black population on Workkeys and ACT testing.*

Our students need to experience higher achievement levels, but it will require hard work on the part of staff, students and families. Here are some strategies North Pitt will be implementing:

- Increase make-up opportunities within the testing window
- Target all subgroups individually
- Provide ACT practice modules for Juniors in all English 3 and Math 3 Classes.
- Provide Workkeys practice for Senior in all English 4 classes.

Parent engagement is at the heart of our school improvement efforts. Here are some ways we can work together:
