

## MISSION AND VISION FOR BETHEL SCHOOL

**Mission:** We strive for excellence, encourage growth, and build a supportive community through teamwork and high expectations.

**Vision:** #expectmoreBEmore

## WHAT WE OFFER

Bethel School is a PK-8th grade school in rural Bethel, NC. We have small classes that encourage a family atmosphere. We are built on the premise that all students can learn. We are a small community school building the leaders of tomorrow.

1

Teachers use the North Carolina Standards to guide instruction for all reading, math, science, and social studies courses.

2

AVID is an Encore class that is offered to all 5th-8th grade students. AVID is a class that creates a family culture and promotes skills to be successful after in college or a career.

3

Students have the option of a wide range of Encore classes. These include music/band, AVID, CTE/STEM, Art, PE, and Media.

## KEEPING YOU INFORMED: REPORTING ON STUDENT SUCCESS

We believe strong communication between school and home is essential for student achievement. Parents receive regular updates on their child's progress through:

- Infinite Campus Parent Portal
- report cards every 9 weeks
- progress reports
- Fall and Spring Parent-Teacher Conferences

These reports help families stay informed, celebrate successes, and work together with teachers to support academic growth.

## COMMUNICATION FROM SCHOOL

Weekly communication is encouraged between school and home by:

- School-wide updates are provided through a weekly bulletin to families via text and email.
- Class Dojo is utilized to communicate with parents, teachers, and staff.
- Important announcements are posted on Dojo and Facebook.
- School Website: [pitt.k12.nc.us/bethel](http://pitt.k12.nc.us/bethel)
- Parent Portal on Infinite Campus, Progress Reports, and Report Cards
- Emails and phone calls.

All forms of communication are available in English and Spanish.
