

## MISSION AND VISION FOR BETHEL SCHOOL

**Mission:** Bethel School is committed to providing each student with learning opportunities so that they can reach their full individual potential.

**Vision:** Preparing today's learners for tomorrow's world.

## WHAT WE OFFER

Bethel School is a PK-8th grade school in rural Bethel, NC. We have small classes that encourage a family atmosphere. We are built on the premise that all students can learn. We are a small community school building the leaders of tomorrow.

1

Teachers use the North Carolina Standards to guide instruction for all reading, math, science, and social studies courses.

2

AVID is an Encore class that is offered to all 5th-8th grade students. AVID is a class that creates a family culture and promotes skills to be successful after in college or a career.

3

Students have the option of a wide range of Encore classes. These include music/band, AVID, CTE/STEM, Art, PE, and Media.

## School Improvement

Bethel School staff and administration is committed to continued school improvement. We meet monthly to monitor our progress and use data to make adjustments to better serve our students.

Below are our school goals for the upcoming school year.

1

Bethel School will continue to monitor and improve teacher collaboration, planning, and the use of student data to provide individual instruction and overall improvement of instruction.

2

Bethel School will increase student proficiency (level 3, 4, or 5) on End-of-Grade tests by 3%-5% points.

3

Bethel School will implement PBIS and PCS code of conduct consistently to reduce the amount of missed class time by 10%

4

Bethel School will increase school performance grade to a C or Exceed Student Growth on End-of-Grade tests for the upcoming school year.
