

FAMILY COMPACT

Our school-home compact outlines how parents, school staff, and students will share the responsibility for improved academic achievement and developing well-rounded students. Some of the activities we are planning for this year are Calculating with the Cougars (math games night) STEAM Night, and Let's Glow Read!

Our school allocates Title 1 funds to facilitate 4 family nights throughout the year. In addition, funding is used to staff our school with highly qualified teachers and for resources to promote hands on learning and technology.

STAY CONNECTED

GRW utilizes the Class DoJo app for school wide communication. Please ask your teacher for a link to join

ABOUT US

G. R. Whitfield School, founded by George Roscoe Whitfield, was formerly a Training School. It was the only high school for black students in Pitt County. In 1967, the school was renamed G.R. Whitfield School.

Today G.R. Whitfield, a Title I school, serves students in PreK-8 school. Our campus includes 3 main buildings, the newest addition was completed in 2001.

SCHOOL GOALS

- GRW will implement Professional Learning Communities
- GRW will implement MTSS infrastructure
- GRW will increase overall proficiency by incorporating the following instructional best practices: vocabulary, student collaboration, and writing
- GRW will implement AI tools into the curriculum to enhance personalized learning
- GRW will increase family engagement by communicating about expectations and academic learning

OUR MISSION

Through collaboration with parents, students, teachers, and the global community, G.R. Whitfield School will provide students with authentic learning opportunities which promote critical thinking, problem solving, and clear communication skills necessary for lifelong success

PLEDGE TO SUCCESS

Students will...

Work to the best of their ability on all assignments, follow the student code of conduct, and be kind to their peers

Parents will...

Communicate regularly with their child's teachers, review school work, and reinforce positive behavior expectations.

Teachers will...

Provide meaningful learning opportunities, explain and reinforce the student code of conduct, communicate and collaborate with the students families.
