Libby

Libby and Sora are both products of OverDrive, and they work the same way. PCS students have access to Libby through a partnership with Sheppard Memorial Library.

Install the Libby app from the app store on your Android or iOS (iPhone/iPad/iPod touch) device; or, visit libbyapp.com in your Chrome, Firefox, Safari, or Edge browser.

When logging in for the first time:

- You will be asked if you have a library card. Say YES.
- Follow the prompts to find your public library (Sheppard Memorial Library). ● Enter your Student ID number as your library card number.

Browse your library's collection and borrow a title.

Borrowed titles appear under *Shelf > Loans* and download to the app automatically when you're on Wi-Fi, so you can read them when you're offline.

From your **Loans**, you can:

- Tap **Read With...** to choose whether you'd like to open a book in Kindle (U.S. libraries only) or Libby.
- Tap **Open Audiobook** or **Open Magazine** to start reading or listening to that title.
- Tap **Manage Loan** to see options like **Renew** and **Return**.

For help with Libby, you can go to https://help.libbyapp.com
