GRADUATION EXERCISES

Baccalaureate services will not be planned or conducted by school personnel.

No mascots are to be chosen for graduation.

Each high school principal will file graduation exercise plans with the superintendent or his designee for approval.

Participation in Graduation Exercises

To be eligible for active participation in a school's graduation exercises, a student must have enrolled in and attended that school during the school year and all requirements for graduation must be complete by the time of graduation.

Exceptions to the enrollment and attendance requirements stated above include:

- Foreign exchange students (refer to foreign exchange policy)
- Students studying abroad
- School of Science and Mathematics graduates

Students who complete graduation requirements in an approved summer school or lab will receive a diploma from their respective schools.

A Pitt County Schools summer graduation exercise may be held for those students who complete graduation requirements during Pitt County summer school. Students will receive diplomas from their respective schools.
