

GOOD NEWS JUST FOR NORTH CAROLINA JUNIORS

On February 28, 2017 you and your classmates will participate in the weekday administration of the ACT, a college admissions test accepted by the majority of 4-year colleges and universities in the United States. As you prepare for the ACT, know that the colleges and universities in North Carolina look forward to receiving your ACT scores.

Before the February 28th test date, you will complete the “**pre-test portion**” of your answer document. At this time, you will have an opportunity to **select up to four colleges and universities you would like to receive your ACT scores (free of charge)**. A wide range of colleges and universities and majors are available in your home state. Should you decide to stay in North Carolina for this next phase of your educational career and want to send your scores to one or more of the North Carolina colleges or universities, a list of the North Carolina college and university codes is provided on the reverse side of this letter. You may wish to discuss these choices with your parent(s) ahead of the pre-test session. You may bring this document with you to the session to help you identify your selection(s).

ACT also provides an opportunity for you to create an account to get started with ACT's free college and career planning self-assessments. You can log in using any computer, smartphone, or tablet. The inventories pinpoint your unique interests, values, and skills. Based on your answers, personalized results are populated onto interactive career and major maps. From there, you can take a closer look to find information related to specific schools, majors, and careers. You can also explore your options, save your favorites, and share them with others. If you would like to take advantage of this service provided by ACT from home, please log in to:

<http://www.act.org/content/act/en/products-and-services/act-profile.html>

Your transition from high school to college or the workforce is crucial not only for you, but also to North Carolina's future and that of our nation. ACT staff and North Carolina educators encourage you to do your best on the ACT, as well as on your remaining high school coursework.
