To the Parents of

Home Base is a statewide student information system that has replaced NC WISE and SPAN starting in the 2013-14 school year. Home Base gives parents and students access to real-time information, including attendance, grades and assignments. With Home Base, powered by Pearson's PowerSchool application, everyone stays connected: Students stay on top of assignments, parents are able to participate in their child's progress, and teachers can instantly share information from their gradebook with parents and students. Families with multiple students can also set up their accounts to view all of their children at one time, with one login to the parent portal.

You have been identified as requesting access and have completed all the required forms.

To obtain Parent Portal access, you will need to create your own account at the following URL:
https://pitt.powerschool.com/public

Documentation to assist parents can be found on the PCS Web page at:
www.pitt.k12.nc.us/Page/1433

To add your child, you will need the following information:

Your Access ID is:

Your Password is:

In order to add multiple children, you will need an Access ID and Password for each child from each school.
