

- Sugg Bundy will exit Low Performing Status by improving our overall performance grade by at least 4 points.
- Sugg Bundy will work to reduce student absences by 10% from the previous year.

Here are some strategies that we will be implementing to improve student outcomes:

- Targeted intervention during schoolwide intervention block utilizing research based interventions.
- Tiered process of ensuring all children have access to core curriculum.
- Utilization of i-Ready for individualized instruction to meet students where they are currently performing academically as well as targeted small group instruction.

Also, parent engagement is at the heart of our school improvement efforts. Here are some ways we can work together:

- Ensure that both you and your child know the academic expectations set for your child this school year. A list of learning objectives in student-friendly language is available from your student's teacher(s).
- Call Robert Johnson at (252)753-2671 if you have questions or concerns about your student or to set up an appointment to meet with a school staff member who will be working with your child.
- Make sure that your child is prepared and attends school each day.
- Monitor your child's homework.
- Monitor the progress your child is making and attend meetings with your child's teacher(s).
- Keep track of our website and social media sites (<https://www.pitt.k12.nc.us/suggbundy>) and Facebook (<https://www.facebook.com/worththedrive>).
- Volunteer.
- Join the Sugg Bundy Parent Teacher Organization.

Additionally, listed below are a few resources available to help:

- Graduation requirements: www.ncpublicschools.org/gradrequirements/
- K-12 standards in academic subjects: www.ncpublicschools.org/curriculum/
- State student achievement test results: www.ncpublicschools.org/accountability/
- N.C. School Report Cards: <https://ncreportcards.ondemand.sas.com/src>

We are committed to improving student performance. It is important to remember that just as no single score or grade tells the whole story of a student, neither does it tell you everything about a school's performance or the opportunities that our school provides. The intent of receiving these designations is to improve educational outcomes for all students, close achievement gaps, increase equity, and improve the quality of instruction. We're excited about this school year and are working to make it a success for your child. Already, we have:

- Awarded students weekly for positive behavior using our HEART Cart
- Begun implementing AVID teaching strategies to support learning
