

Membership in a group accident insurance program will be made available to students each year. In arranging for this insurance, the board will make every reasonable attempt to identify a company offering comprehensive insurance at economical rates. Information on the plan will be made available through school publications.

Purchase of this insurance constitutes an agreement between the student and/or parent and the insurance company. The school system is not a party to this agreement. The school system does not assume any contractual responsibility for expenses not covered by insurance.

In addition, Pitt County Schools furnishes an Interscholastic Athletic Policy that provides limited benefits for middle and high school students who participate in school-sponsored and supervised interscholastic activities, including athletics, cheerleading, band, JROTC, field trip participants and adult volunteers (sideline judges, timers, teacher helpers, etc.). This policy provides excess coverage for students with other insurance coverage after their benefits have been exhausted or primary coverage for students with no other insurance coverage.
