

Got Uniforms?

Ayden Middle School will be accepting new or gently-used school uniforms for our middle school-age students. As with every school in Pitt County, student's must adhere to their school's dress code. Occasionally, student's may need a change of clothing while at school, as accidents do occur. By having these uniforms on hand, it will help eliminate the burden of calling home or disrupting instructional time.

Here is how you might be able to help!

Please consider donating any uniforms that you or someone you know may have outgrown to the school's uniform drive. We all know how quickly adolescents can grow, so please help out a friend or a fellow classmate in need.

Donations will be accepted starting March 14, 2017 and will continue through April 12, 2017.

Days: Monday through Friday from 7:30 a.m. to 2:30 p.m.
