

## PCS Remote Learning

In NC K-12 public schools, remote learning is defined as learning that takes place outside of the traditional school setting using various media and formats, such as but not limited to: video conference, telephone conference, print material, online material, or learning management systems.

### Learning Expectations:

**Average  
Instructional Time  
Per Day**  
Four hours per day.

**Assignments**  
Assignments will be posted weekly for each student.

**Teacher  
Communication**  
Teachers will communicate weekly with students/parents.

**Types of Work**  
Work will be posed online using a Learning Management System. Hands on instructional resources will be available for students without internet access.

### Parental Involvement:

**Ensure Access to  
Materials**  
Help students navigate website, pick up any instructional materials, and ensure students have basic school supplies.

**Monitor Student  
Progress**  
Check daily to make sure students understand and complete assignments.

**Provide Support**  
Help answer questions and communicate with the teacher to best support your student.

**Establish a  
Schedule**  
Create and maintain a daily "school" schedule with a distraction free environment.
