Dear Parent/Guardian,

NC Check-Ins are interim assessments developed by the North Carolina Department of Public Instruction (NCDPI) that are aligned to North Carolina grade-level content standards (for reading and mathematics) and North Carolina Essential Standards (for science).

The main purpose of NC Check-Ins is to provide students, teachers, and parents with immediate in-depth action data and a reliable estimate of students' current performance on the selected subset of content standards. Both the end-of-grade (EOG) tests and the end-of-course (EOC) tests share a common question bank with the NC Check-Ins, which then exposes NC Check-In students to similar question types and rigor found on the EOGs and EOCs.

The NC Check-In administration dates are as follows:
