## Frequently Asked Questions

### Can I change my schedule?

At this point, student schedules are not finalized. Please see "Timeline" for details on when final schedules will be released. Underclassman (grades 9-11) may request schedule changes starting at Open House and ending at 3:40pm on the First Friday of the school year. Seniors may request schedule changes, including senior drops, during their summer senior meetings with their counselors.

### Can I meet with my counselor about my schedule?

The close of the school year is a very busy time for SCHS Counselors. For that reason, counselors may not be readily available to meet with students/parents about 2019-2020 schedules. Also, no underclassman schedules will be released prior to Open House on August 22<sup>nd</sup>. Any concerns related to 2019-2020 course selections/schedules should be emailed to counselors.

### Can I switch teachers?/Can I request specific teachers?

Teacher assignments have NOT yet been made, however, when teacher assignments are done, students are not allowed to request specific teachers.

## Class of 2020
