Student Supplies

- All students will be provided with a planner. We will be updating planners daily and it will be part of their grade. If your student loses their planner a replacement will need to be purchased.
- Supplies will need to be replenished throughout the year. It is suggested to stock up on supplies now as they are typically a better buy this time of year.
- One of the 1" binders will remain in the AVID classroom.
- The notebooks/composition books are for ALL classes!
