September 9th, 2020

Dear Parent/Guardian:

I hope the school year has started successfully for all of you. As a parent/guardian of a student in Pactolus School, I am writing this letter to let you know that Pactolus School, has been designated as a Targeted Support & Improvement – Consistently Underperforming (TSI-CU) school by the North Carolina State Board of Education. As stated in ESSA Section 1111(d)(2), North Carolina had to identify schools for targeted support and improvement. TSI-CU schools in North Carolina are those schools that have a subgroup that is consistently under-performing over an extended period of time. The intent of this opportunity is to improve educational outcomes for all students, close achievement gaps, increase equity, and improve the quality of instruction.

As a TSI-CU school, Pactolus School is required to develop a comprehensive plan that specifically addresses how the school will improve student achievement. The plan will also include how our district will support us and monitor the progress of our school. The comprehensive plan will address the following areas:

- Classroom Management
- Standards-aligned Instruction
- Professional Learning Communities (PLCs)
- Instructional Leadership
- Recruitment & Retention of Effective Teachers
- Support for Grade-to-Grade Transitions
- Implementation of a Tiered Instructional System
- Data-Driven Decision Making
- Student Support Services
- Family and Community Engagement

We have set the following goals Pactolus School this year:

- All teachers will employ effective classroom management and reinforce classroom rules and procedures by positively teaching them.
- Instructional Team will develop standards -aligned units of instruction for each subject and grade level.
- The school will implement a tiered instructional system that allows teachers to deliver evidence-based instruction for each aligned with the individual needs of students.
- All teachers will be attentive to students' emotional states, guide students in managing their emotions, and arrange supports and interventions when necessary.
- The school will develop and implement consistent, intentional, and on-going plans to support

student transitions for grade-to-grade and level-to-level.

- The LEA will have an LEA Support and Improvement Team.
- A Leadership Team will consist of the principal, teachers who lead the teams, and other professional staff meets regularly to review implementation of effective practices.
- The school will establish a team structure among teachers with specific duties and time for planning.
- The principal will monitor curriculum and classroom instruction regularly and provides timely, clear, constructive feedback to teachers.
- The LEA/School will regularly look at school performance data and aggregated classroom observation data and uses that data to make decisions about school improvement and PD needs.
- The LEA/School will establish a system of procedures and protocols for recruiting, evaluating, rewarding, and replacing staff.
- The school will regularly communicate with parents/guardians about its expectations of them and the importance of curriculum of the home.

Our students need to experience higher achievement levels, but it will require hard work on the part of staff, students and families. Here are some strategies Pactolus School will be implementing:

- Increase rigor in all classrooms to assist with students reaching grade levels
- Completing common formative assessments.
- Data talks amongst teachers and administration
- Individualized instruction and interventions for students

Parent engagement is at the heart of our school improvement efforts. Here are some ways we can work together:

- Make sure that both you and your student are aware of academic expectations set for your student this school year. A list of learning objectives in student-friendly language is available from your student's teacher(s).
- Call Taylor Matkins at 752-6941 if you have questions or concerns about your student or to set up an appointment to meet with a school staff member who will be working with your student.
- Make sure that your student is prepared and attends school each day.
- Monitor your student's homework.
- Monitor the progress your student is making and attend meetings with your student's teacher(s).
- Keep track of our website and social media sites *[insert links]*.
- Volunteer.

Sounds like a lot but preparing our students so that they can succeed is not easy and is a group effort. Here are some resources available to help:

- Graduation requirements: www.ncpublicschools.org/gradrequirements/
- K-12 standards in academic subjects: www.ncpublicschools.org/curriculum/
