

We Need Your Help to Encourage Our Wintergreen Students!!!

"Work hard. Dream big. Never give up." These positive affirmations are some of the many examples of how the students at Wintergreen start each day! Wouldn't it be AMAZING if our students were able to receive positive messages from famous people outside our school building? We are reaching out to make something really special

happen for our students at Wintergreen Intermediate. The teachers and staff send our students positive words of encouragement each and every day. Our teachers are totally invested in making a difference in the lives of our students. Seeing the impact our positive affirmations have had on our students is making us even more motivated to take it to the next level. Our students deserve more. We are a Title I school in Greenville, NC. To some students, school is their family. Knowing that someone believes in them is all the motivation it takes for some students to want to succeed. More importantly, they are beginning to

believe in themselves as well. Our staff wants to prepare a PEP rally for the end of the year to help motivate our students before End of Grade Testing. At our PEP Rally, we would love to have short video clips of famous and/or in famous locations throughout the world. We ask that these video clips send positive messages to our students at Wintergreen

Intermediate. All we ask is that you state who you are, what you do, specifically mention Wintergreen Intermediate (or Gators), and send a motivating/positive message. We have also recently started a "You Matter" campaign at

doesn't have to be good collection of themselves even level by sending us a reality, message at

Wintergreen, so feel free to include this phrase as well. It long or fancy (even a cell phone video will do). We believe a these videos would help motivate our students into believing in more. Please help us take our focus on positivity to the next video clip. If you are able to make a Gator's dreams become a Wintergreen Intermediate's Instructional Coach, Mrs. Kessler kesslem@pitt.k12.nc.us. Feel free to email Mrs. Kessler with

any additional questions you may have as well. Please share and pass along to anyone you may know who may also want to participate. Our kids Matter! Help us show them.

Wintergreen Intermediate Staff

This Year's Pep Rally Theme is **"Let's Glow Gators"**

Some suggestions/ideas for your video clips...

- Incorporate the Pep Rally Theme into your message (Let's Glow Gators)
- Take videos on your spring break trips of famous people and places
- Local celebrities are great too (ECU players, new anchors, restaurant owners, politicians, gymnastics/dance studios, swim teams, high school teams/coaches, cheerleaders, etc.)
- Sports players/Olympians
- At a famous sports stadium/arena
- In another country
- Musicians/bands/singers
- Disney characters at Disney World
- News anchors
- Radio show hosts
- Artist
- Actors
- NASA space station
- Race Car Drivers

Please have your videos sent to Mrs. Kessler no later than May 3, 2017.
