

The board will hold student fees to a minimum. No fee will be charged for required courses or activities. In addition, to the extent funds are made available for this purpose, no registration or exam fees will be charged for Advanced Placement courses.

Each principal is required to submit a list of any fees to the superintendent prior to the start of each school year. The superintendent shall adopt procedures providing that student fees, including those for graduation, the school yearbook or supplies for elective classes, are consistent among the different levels and schools.

Any fees imposed will be waived or reduced for students who demonstrate economic hardship. The superintendent shall establish procedures to review requests for fee waivers or reductions.

Each principal shall publish or post the schedule of fees and notify students and parents of the availability of and the process for requesting a fee waiver or reduction, as provided in policy 1310/4002, Parental Involvement.
