

The board recognizes the valuable contributions that school volunteers make to the learning process and the educational goals of the school system. Instructional programs are enhanced through the contributions of students' parents, community members, and local business and industry. These volunteers contribute time, resources, and expertise that assist the school system to reach the goal of providing a sound basic education to all children.

The superintendent shall provide for parents and legal guardians to be notified of their right to take four hours of unpaid leave from their jobs every year in order to volunteer in their child's school as stated in G.S. 95-28.3. For information about leave provided to school system employees so that they may volunteer at their child's school, see policy 7510, Leave.

4. adequate training of volunteers, including familiarizing volunteers with applicable laws, board policies including policy 4040/7310, Staff-Student Relations, administrative procedures, and school rules.

All school volunteers are expected to be professional and dependable in their volunteer activities.
