

## **SUPERVISION OF CONSTRUCTION CONTRACTS**

*Policy Code:*

**9130**

---

The superintendent or designee is responsible for monitoring construction contracts with the architect and/or engineer and all contractors. The superintendent or designee shall report periodically to the board on the progress being made by the contractors, architects, and/or engineers, including whether the work is being performed in accordance with plans, specifications, contracts, and specified deadlines.

Change orders for construction contracts will be managed in accordance with the requirements established in policy 9030, Facility Construction.

The superintendent or designee may utilize consultants in performing the review required by this policy. Any contract for such consultant services must be included in the budget for the project.
