4-5 MRS. TAYLOR, SCHOOL COUNSELOR

THIS MONTH'S FOCUS

This month we will be spending our time in the Major Clarity platform. We have taken the initial assessment and now we will begin to explore future careers. Doing this will help the students to be better prepared for our Career Day that will happen in April.

TALKING TO YOUR CHILD ABOUT CAREERS

Start by asking your child about problems they like to solve or what activities they enjoy. Do this instead of simply asking them what they want to be when they grow up. Discuss jobs that involve those activities.
