Any unusual circumstances affecting financial need (medical expenses, care of additional family member, others in college, etc.):

Extracurricular activities and offices held in high school and the community in grades 9-12:

Please attach a short essay about your future plans.

Description:

The Frank Richardson Sells III Scholarship was established by his mom, Cooka Sells, his sister, Anna Sells, and dear family and friends to honor his memory. This scholarship is awarded annually to a J.H. Rose senior who will be attending a technical college. Richardson was our “technical boy” who enjoyed doing things with his hands and always helping others. He became a volunteer firefighter and felt very honored to be able to help people in his community. Richardson was an avid golfer and outdoorsman. He felt such comfort and love while spending time with his family and friends.
