

Fed Focus

January 22 - 24, 2025

NC School Report Cards are now available online and can be added to your Title I websites.

Please be sure you are continuing to add items to your website each month. The link to the Title I Checklist is located [here](#).

Our next District Title I Event will be held on Thursday, April 3rd from 6:00 - 7:30 at Lakeforest Elementary School. Our theme will be Learning is Out of this World. We will need at least one representative from every school to help with stations at this event. A sign-up sheet will be sent out in March!! Dr. Stalls and I are partnering on this and think it will be a fun night of learning for our families!

Don't forget when you are requesting reimbursement for a Title I parent event, you must have the following items:

- PO with your school listed as the vendor (must be signed by the principal)
- Parent Invitation
- Agenda from Event
- Sign-in Sheets
- Sample of Educational Material provided to parents
- Copies of receipts/checks for items purchased

As a reminder, schools are **REQUIRED** to have at least 4 parent engagement events per year. You must provide some type of parent education at each of your events!!! This is required by Federal Law.

All Title I funds must be spent or encumbered by March 24, 2025 at 5:00 pm or they revert to the district...there are no exceptions!

I hope you are all having a **HAPPY SNOW DAY!!!!**
