

Fed Focus

March 10 - 14, 2025

If you have not been conducting any type of parent feedback surveys after your parent engagement events, please be sure that you do this for your remaining events! You could also send out a parent survey regarding the events you have had thus far this year asking for feedback. This is needed documentation when we are audited.

Don't forget to submit any Request to Use Federal Funds forms for events that you have planned for after March 24th! We will only be reimbursing for food. All materials must be ordered prior to the March 24th purchasing deadline. If you do not have prior approval for food expenses, you will NOT be reimbursed! We cannot make exceptions to this deadline.

Don't forget to post the flyers for our District Title I Event on your school website and on your social media sites. Also, please share these with your teachers and ask them to send them out to families via dojo or other classroom messaging systems. Here is the [link](#) to the flyers.

Please be sure to sign-up for our district event. Please remember that the expectation is that every school has at least one representative. Thank you to those schools that have already signed up!!! Here is the [link](#) if you have not signed up!

NCDPI had released lots of new guidance and requirements regarding parent engagement. This will be shared with principals soon. Please note that one of the new revisions is related to School-Parent Compacts. We can still keep our school brochures as our compacts; however, they will need to be revised to ensure they have all the required components or you can return to the traditional form of the compact. I will attach a copy of the checklist to this week's Fed Focus email for your reference.

Thank you for everything that you do! I hope that each of you will have a wonderful, restful, relaxing, and enjoyable Spring Break!!
