

THE FEDERAL BUZZ

November 3 - 7, 2025

All contracts for Title I Stipends have been sent. You may need to check your spam folder, if you have not seen it. If you do not see it in your regular email or your spam folder, please let me know. I can have Danielle Taylor check the email in the system and update it (if needed) to your PCS email address.

Thank you to everyone that has sent the name and email address of at least 2 parents from your school to serve on the district Parent Advisory committee. If you have not sent your names and contact information, please do so by this Friday, November 7th.

Please use the attached [link](#) to sign-up for a time & station for our district Title I event, "Fall in Love with Reading" which will be held at South Central High School (in the auditorium area) from 5:30 - 7:00. Please note that if you are unable to attend, you must have someone to represent your school.

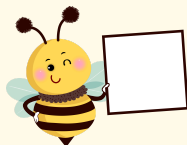

Our next Parent & Family Engagement training will be held virtually on Monday, November 17th from 2:00 - 4:00 pm. If you have not received a calendar invitation, please let me know! The link for the webinar is in the calendar invitation.

Please ask your principal to include the information about the district Title I night in their weekly message/call home. Please be sure it has been sent home with families, posted in your office area, and posted on your social media and school website.

Just as a reminder, please be sure you are uploading items to your Title I Artifacts Dashboard. The first check will occur in December (during your break)!

Bookkeepers are reminded to please be sure you are following the checklists when submitting request for Travel or Parent Engagement. These are located in the Federal Programs Handbook.

Just a reminder, There is a superhero inside all of us, we just need the courage to put on the cape.
