

The Federal Buzz

November 24 - 28, 2025

- Thank you to everyone who participated in our virtual FACE training on November 17th. The session was recorded and I will send out the link as soon as I receive it. Attendance will be completed this week and you will receive a Protrax survey to complete to earn credit.
- A few reminders regarding Artifact Dashboards:
 - Your MOY Title I Dashboard items are due on December 17th! Please be sure that you have uploaded all required items by that date.
 - Your samples of information to parents in alternate languages must be things that your school has created, you cannot use the district flyer from our Title I event.
 - Evidence of parent teacher conferences should be from the district mandated October Conference date. (This can be your invitation to parent conferences, a sign-in sheet from the conference night (dated), or documentation of who was scheduled to attend)
 - Each folder requires an artifact - if something does not apply to you, please upload a document that states this does not apply to your school. (For example, if you don't have any contract employees (normally Remediation Teachers or Teacher Stipends for additional responsibility) you would upload a document stating you do not have any contract employees.)
 - Please remember that examples of PLT minutes must be complete (do not just submit a blank form)
 - Be sure that all links are set to "anyone with link can view". This is VERY important!!!
- I hope that each of you has a wonderful, restful, relaxing, Thanksgiving Holiday!!

"How you treat the one reveals how you regard the many,
because everyone is ultimately a one."
