Parents Right to Know Letters should be sent home this week with ALL students. These letters should go home in the student's native language. Templates were provided to principals at the Sept. 3<sup>rd</sup> Principals Meeting & are located on the Federal Programs Webpage. A copy of this letter MUST also be posted on the school's webpage. Verification forms are due to Mrs. Cox by Friday, Sept. 19<sup>th</sup> (this may be sent electronically).

Please remember that ALL of your 4 required parent engagement events MUST contain a parent education component. This can be how to support students academically, physically, emotionally, or socially. It can also be items such as how to use Class DoJo to communicate or how to use Infinite Campus to check grades and attendance. You can also provide workshops on the effective use of AI, student's digital footprints, study skills, test taking strategies, proper/safe use of social media, etc. These are all useful items to help students be successful.

Please remember to keep in contact with your bookkeeper and your payroll secretary. You will need copies of the following items from them:

- Copies of purchase orders for items purchased with Title I Funds (including the quotes)
- Copies of Contracts for remediation teacher funded with Title I
- Copies of PO's & invoices for Parent Engagement Purchases

Please don't forget that you will need to have a Parent Evaluation for each of your 4 required parent engagement events. This can be done either electronically or on paper! (No more than 5 questions)  
This is a required that came out in the February 2025 revisions of PFE.

Words to consider:

Relationships teach you, relationships grow you,  
relationship change you, relationships make you better.  
If I am able to build that relationship with a parent, that  
parent trust(s) me wholeheartedly.

Everyone Wins!
