

The Federal Buzz

September 29 - October 3, 2025

- As a reminder, please be sure that leave forms for our October 24th Professional Development have been completed and submitted to our office as soon as possible.
- If you have not received calendar invitations for our virtual PD dates on November 17th, January 21st, February 23rd, and April 13th please let me know as soon as possible so I can send you the invitation and link.
- As a reminder, Parents Right to Know Letters for Non-Highly Qualified Teachers should have gone home the week of September 22nd and verification forms were due to our office on September 26th. As a reminder these are not posted on the school website.
- We are working on details for the November 6th District Parent Event. The theme will be “Fall in Love with Reading”. Our tentative plan is to have a book reading and reading activities. The guest author would present two 30-45 minute sessions where they would read their book and discuss reading strategies and supporting reading at home. All students would receive an autographed copy of the book. Families not in this session would participate in reading activities and then the two groups would switch.
- If your school has a media center that will hold about 50-75 people and a separate multipurpose space and you are willing to host our fall event, please let me know. We are looking for a community space that would work, but in case we cannot secure a space we would like to have other options. Thanks in advance for considering this request!
- The following schools are missing a Title I tab or section on their school webpage. Please work with your web page manager to have this added.
