

TITLE I TIDBITS

JANUARY 8 - 12, 2024

Please sign and return your Title I Semi-Annual Certifications as soon as you receive them. Don't forget that these must also be posted on your Title I Website.

If your Title I Website is not in compliance, no Title I requests will be approved until you get your website into compliance.

The last day to submit any Purchase Order requests will be March 22, 2024 at 5:00 pm. If you need help with your budget, please do not wait until the last minute to ask for help. There will be NO extensions for encumbering your funds!

If you are planning to use Title I funds to send teachers to conferences, you need to go ahead and submit paperwork and encumber your funds.

If you are a TSI school, please make sure that you have goals in your NCStar plan that are specifically addressing strategies as to how you are going to close the achievement gap for your subgroup identification. The state has changed the requirements related to TSI schools.

Website Audits will be sent to Principal's by Thursday. If you need assistance in getting your website into compliance, please contact Mrs. Cox.

SAVE THE DATE....we will hold our next District Wide Title I Parent Event on Tuesday, April 16th from 6:00 - 7:30 pm at Creekside. Do NOT schedule any school events on this night. (I know that you cannot control athletics; however, don't schedule any non-athletic events.) Invitations will be sent out in the beginning of February for you to share with your families. Please note this is for all schools, Creekside has just been kind enough to allow us to use their building!
