

TITLE I TIDBITS

APRIL 1 – 5, 2024

I hope everyone had a restful and relaxing Spring Break!

Thank you to everyone who got all of your summer contracts submitted by March 22nd. If you did not get your summer contracts submitted, please complete them ASAP. Remember that all summer work must be documented in your Budget Allocation Worksheet. I will not approve any contracts for summer work after May 17th unless they are for a new AP or IC.

! Congratulations to Northwest Elementary School! You had the highest percentage of District Parent Night forms returned and will be receiving a treat from the Federal Programs Office! Thank you for encouraging your students to return their forms. !

If you have not already done so, please begin planning for next year. Your School Improvement Team should be using data to begin prioritizing a list of ways that you plan to use next year's Title I funding. Please remember that a parent should be present at the meetings where you are making these plans.

Please remember that all Title I Schools will be required to create a Title I Brochure for their school. You can find a list of required items [here](#).

In your weekly announcements to families, please remind them about the District Title I Parent Night on April 16th from 6:00 to 7:30 pm at Creekside Elementary. All Title I Principals are strongly encouraged to attend this event.

Don't forget that the deadline has passed for submitting purchase orders. You may submit requests for reimbursement for Title I Events as long as you submitted the PO Request form PRIOR to the deadline! Please ensure that all reimbursement requests are submitted by the end of May!

At our EPS meeting this week, we will be finalizing summer PD. The date for the Mandatory Title I Meeting for Principals and Bookkeepers will be sent out in next week's Title I Tidbits.
