

Title I Tidbits

April 8 - 12, 2024

As your Title I orders arrive, please be sure to sign & date the invoice. Send the invoice and the pink copy of the PO to Karen Capozzi. These do NOT come to the Federal Programs Office.

Please begin working on your Title I Brochures for next year. Your rough draft of these brochures will be due to our office by June 28, 2024. The required components for your brochure can be found [here](#).

Please ensure you are uploading the required documents to your Title I Website. All items must be uploaded by June 7, 2024. The checklist can be found [here](#).

All Title I Schools need to plan to have a representative from your school at the District Event. They do not need to stay the entire time; however, we do need someone from your school to help for about 30 minutes.

“Do not place so much emphasis upon the endpoint, or destination of your life’s journey; rather, focus upon the experiences, the people, and the memories you make along the way. For those aspects are, realistically, the elements which truly tell your story.” - BJC
