

TITLE I TIDBITS

August
21st - 25th

Let your acts of kindness define your legacy, for they will be cherished long after any accolades are forgotten.

Teachers should be expected to attend all Title I School events. You may need to discuss with your staff how your school uses Title I funds as well as the requirements schools must meet to receive funding.

When planning Title I events, be sure you are aware of athletic events or other events at feeder schools. You don't want your parents to have to choose.

Parent Engagement:

Enter your parent events on the google calendar.

You need 5 parent events each year.

Think outside the box; find fun and creative ways to educate your parents

Website Reminders:

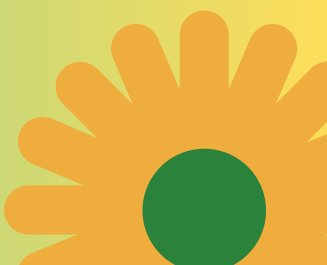

Begin uploading required documentation for the 2023 - 2024 school year.

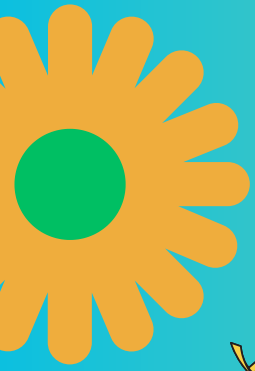

If you need assistance with your website documentation, please contact Patricia Cox.

There will be a meeting for all Title I contacts in September...be on the lookout for more information.

Are you looking for a fun event for your families?? Apply for the Duke Energy Science Night Grant!

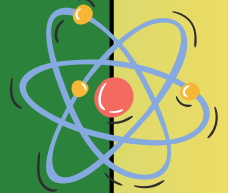

<https://ncsciencefestival.org/DESN>

Click on Educators

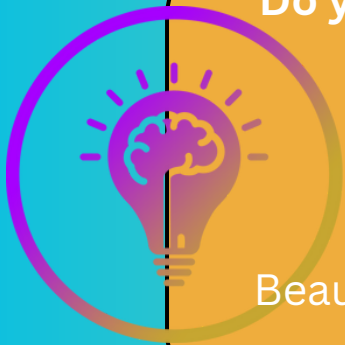

Select Elementary Science Night

Scroll down until you see "Click here to complete application."

Applications will be accepted August 7th - September 22nd!

Do you, your Assistant Principal, or your Process Manager need training on NCStar?

If so, save the date:

September 28th - 29th

Beaufort County Schools Professional Development Center

Shoutout to the following schools for submitting ALL Title I Required Information!
