VIKE Support

Over the past several years, the PTSA has provided teacher mini grants for support with materials that enrich and enhance our children's education and classroom experience. Public funds can only cover the basic needs – our goal is to provide funding for the extra materials that can make all the difference in our children's education. This year, we are hoping to provide the same assistance and be able to offer help sending students to National Competitions.

The PTSA is asking for your support by donating to our annual fundraising campaign—**VIKE SUPPORT!** Donations of any amount - \$1 to \$1000 or more are greatly appreciated!

All contributions are tax deductible.

Please complete the form below with your donation and make checks payable to D. H. Conley PTSA. Bring to the Open House, send it with your child to the school office, or mail it to the school. We would like to have all donations **by October 31, 2014.**
