

GETTING STARTED WITH A PCS CHROMEBOOK

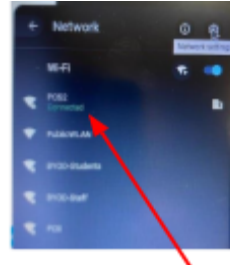

Power on your Chromebook and connect to your WiFi.

1. Click on the Quick Settings Panel at the bottom right of your screen.

2. Click on "Not connected"

3. Select your Wifi Network.

You should now be connected to your Wifi!

Logging into a Chromebook With Your Clever Badge

1.

Click Next.

You will then see yourself through the camera!

2.

Hold your badge up to the camera until you see the green check mark.

3. You will see 3 search tabs at the top. Click the X to close the first 2 tabs that are labeled "New Tab" and "Google." That will leave only the Clever tab open.

4. Click on your teacher's class.
